

Ways to connect!!!

By Raean

Talking

Talking to people
can be done from a
distance.

Texting

If someone is too far away to talk to, you can text them.

Calling

If someone is too far away, and you don't want to text them, you can call them.

Video calling

If someone is too far away, you can use an app like Zoom or Skype to video call.

Walking

You can walk with
a friend or family
members while
staying 2m apart.

Playing games online

You can talk to
friends while
playing games
online or you can
work together when
playing a game.
